

Ringmasters offers two great options to display our popular neckties.

Option 1: The new tie box: This option allows you to display ties on any shelf in your store. We offer tie boxes for all sizes of our ties. The boxes are labeled as Men's, Youth and Boy's. Just order the regular item number for our ties and then order the same number of boxes for the total ties ordered. We'll ship your ties boxed and ready to sell.

KDD088 - The boxes are free with tie purchase.

Option 2: The traditional tie hanger. The space-saving flat profile is neat and allows display of more ties in less space. Your tie purchase will be shipped with this option unless tie boxes are ordered.

Ties shown here on our new spinner slat-wall tie fixture.

KDD089 - (Free with minimum necktie purchase of \$150.00) This fixture includes twelve 4" long hooks that makes it easy for customers to view our tie selection.
