Baby Blessing Cards

A. Baby Girl Black & White

Inside: *Her tiny hands, her tiny feet, the smell of her soft head against your cheek. A miracle in a blessing gown. How does a woman begin in so small a package? The years stretch ahead, with baby dolls and pig tails and sleep-overs and crushes. The ups and downs of adolescence, a driver's license, a first date. All this will come in the years to come, but for now she is helpless and delicate and precious. The Lord is smiling on this wonderful day. May He grant you and this tiny little miracle joy, peace, and love.*
