Ringmasters presents

Return to Christ™

or the RTC ring series

For decades, *CTR* has stood as a symbol of making right choices and following the *Savior*. This is a *wonderful message* and will continue to be important in an increasingly wicked world. As a complement to that message, the *RTC* ring reflects a *deep commitment* to the Savior and a more mature spiritual understanding of why we are here. The purpose of the RTC ring is to

remind us of our purpose in life, that is, to grow, to be tested, to be faithful, to have families, to be happy, and ultimately, to *Return to Christ*.

In essence, if the "what" of the gospel is to *Choose the Right*, and the "why" of the gospel is to *Return to Christ*. This is a message that rings true and reflects the desire of all Disciples of Christ to *return to Him*.
